To

The Chief Secretary to the
Govt of Mombasa.

Sir,

With reference to your docket No: 2255/K. 255-93 dated the 1st January 1893 enquiring the steps taken for the collection of an Revenue contribution for the protection of Mwanikore, Kitui & Ukambani, of even No 25th, I have the honor to state that from the Sanitary report received on the subject it appears that the cholera of the last year began in 1888-89 and that it has not yet been completed.

2. Endeavours seem to have been made between 1888 and 1892 to induce the people to pay a Hut tax contribution for the improvement of

Para 3 Mr The Clerk has in hopes kindly taken measures to collect (Cross Ref) Why was no action taken -

Para 4 What areas & Ranges & Kinyanduas have been covered with the Hut Tax & how much

(?)

the Tank, but the same having proved ineffectual the matter was dropped.

3. The question of an average contribution was next carried having reference to the project having been sanctioned before the receipt of the Government order, regarding the levy of such contribution.

4. The Municipality reports that the repairs are not now willing to contribute anything for the work.

I have the honour to be,

Sir,

Your most obedient servant,

[signature]

Deputy Commissioner.

Deputy Commissioner's Office,
Kolar District,
Dated the 15th November 1894.

From

The Deputy Commissioner,
Kolar District.

To

The Chief Secretary to the
Government of Mysore.

Sir,

Adverting to your docket No: 559 / R-7156-93 (3) dated the 20th September 1894 calling for certain information regarding the levy of acreage contribution on lands under Minumalli Tank here, Kolar Taluk, I have the honor to refer you to this office letter No: X 442 / 301 dated the 13th October reporting that the project for laying out irrigation channels has yet to be prepared and that the Executive Engineer has been asked to defer the execution of the channels till the ryots and Inamdars concerned execute conditions for payment of an acreage contribution.

The Amildar Kolar in the meantime was directed to ascertain with the help of the Public Works Department the area of Baijar and dry lands convertible into wet by means of the new irrigation channel and report the exact particulars as to the rate of acreage contribution leviable or realized and on receipt of the requisite information, I shall address you further in the subject.

I have the honor to be,
Sir,
Your most obedient Servant

Deputy Commissioner.

Ryots
